

cobblestone^{fan}

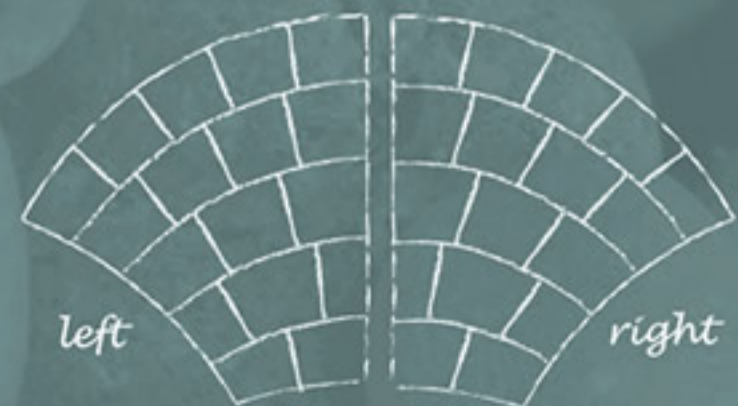

eyecatching & effective variation on the normal paving slab

This particular paving system allows the individual to reproduce the attractive and traditional fan cobble paving effect which is used extensively for footpaths, driveways and parking areas. With the left and right hand interlocking slabs the creation of numerous patterns is possible, which is enhanced further with a choice of three attractive colour variations.

Size mm (nominal)
(a) 400 x 450 x 45
(b) 450 x 530 x 45
(c) 450 x 530 x 45

Cobblestone fan is available in Pennant Grey, Burnished Terracotta & Autumn Brown only.

Complex looking patterns are easily created by simply using left and right hand slabs in a repeat pattern process.
