

tobishi

recreate the style of the orient

These individual stones have been produced to meet the increasing demand and interest in Japanese style gardens. Each stone has been carefully chosen to simulate the style of Tobishi, which literally means flying stones, as they are laid on sand, grass and gravel paths.

Size mm (nominal)	Colours available
Pattern (1) 550 x 420 x 38	Moorland & Cotswold
Pattern (2) 440 x 440 x 38

Pattern 5

log stones

for that extravagant footprint

A simple but charming informal solution to small unobtrusive hard areas that might require within planted beds or borders, or just use as an extravagant novel footpath.

Diameter & thickness mm (nominal)
430 x 38 & 300 x 38

Antique brown
